We are pleased and excited to announce the purchase of Chicago Freight Inc. to handle deliveries in and throughout the Chicagoland area. Not only can we set up movement of cargo across the country with our brokerage division, but now we can provide service for your local freight with our own fleet of GPS equipped company owned trucks. Whether it's small enough for a van or big enough for a 53' trailer, we've got you covered. Give our dispatch a call, or email to dispatch@cargopacificlogistics.com today to obtain an extremely competitive rate quote.

We look forward to hearing from you.
